

LETTER OF RECOMMENDATION

Academic Admission & Scholarship Evaluation

TO

The Admissions and Scholarship Committee, Universities of the Russian Federation

Dear Members of the Committee,

I am pleased to write this letter in strong support of **Noureldin Mamdouh Khamis Ahmed Abuismail** and his application for admission to universities within the Russian Federation.

Throughout the academic year, Noureldin consistently demonstrated an outstanding level of commitment, discipline, and academic excellence. As his Geography instructor at **Nasser Academy**, I had the opportunity to closely observe his performance, dedication, and serious attitude toward learning.

Noureldin distinguished himself not only through his **exceptionally high academic achievement**, but also through his remarkable consistency and sense of responsibility. He maintained excellent attendance throughout the year and did not miss any of his scheduled classes, reflecting a high level of discipline, respect for his education, and genuine commitment to self-development.

During lessons, he was always attentive, engaged, and eager to understand concepts in depth. He demonstrated a genuine passion for learning, asked thoughtful questions, and consistently sought to improve his knowledge and academic skills. His strong work ethic, focus, and ability to maintain a high standard of performance throughout the year clearly distinguished him as one of the most dedicated students I have taught.

Beyond his academic achievements, Noureldin is a well-mannered, responsible, and highly disciplined individual. He approaches his studies with maturity and seriousness and demonstrates the qualities required to succeed in a demanding university environment. His respect for his instructors, commitment to attendance, and determination to achieve excellence reflect both strong character and academic readiness.

Based on my experience teaching and supervising him throughout the academic year, I am confident that Noureldin possesses the academic ability, discipline, and motivation necessary to excel in higher education and successfully adapt to an international university environment.

I strongly recommend **Noureldin Mamdouh Khamis Ahmed Abuismail** for admission and scholarship consideration at universities in the Russian Federation. I am confident that he will represent himself and Nasser Academy with distinction and will make the most of the academic opportunities offered to him.

Please feel free to contact me should you require any additional information regarding his academic performance, conduct, or qualifications.

Sincerely,

Mohamed Nasser

Geography Instructor

Nasser Academy
